#1 Your belief system will judge the world one day, (verse2)

Your ability to live righteously will condemn those who had the same ability but didn't Matthew 7:24-26

#2 You will Judge angels (a statement of fact, with no elaboration)

Verse 3

Celestial Beings which we have assumed have a greater advantage than us, due to their exposure to the eternal world, will be condemned by those Christians who have had less exposure but lived more righteously (the Devil and his angels)

The Law Of Exposure And Accountability-Matthew 11:20-24 (Chorazin and Bethsaida vs Tyre and Sidon/ Capernaum vs Sodom)

WHY SHOULDN'T CHRISTIANS SUE ONE ANOTHER!

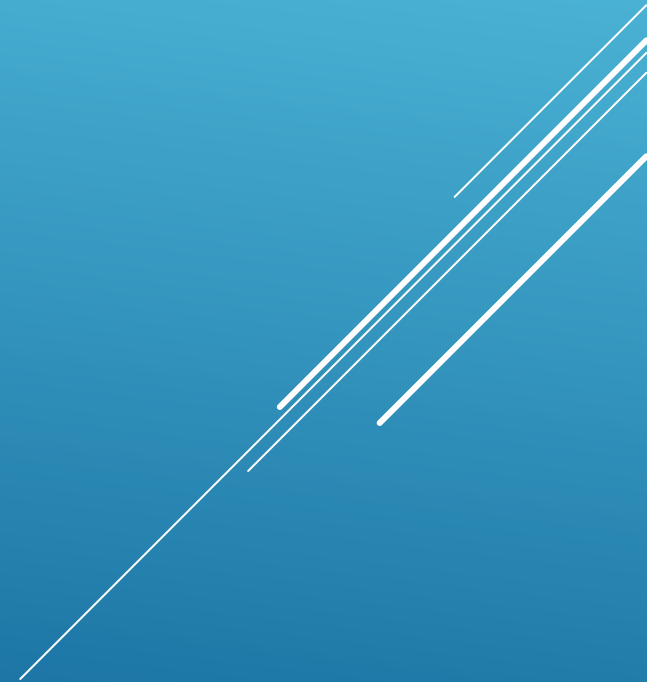

1ST CORINTHIANS 6:1-7

#3 Why go and ask for a ruling from people (worldly judges) whose way of life doesn't respect God's word, Verse 4

Why would 2 Christians ask a non-Christian to solve their problems?

#4 Isn't there somebody wise enough among you to look at God's word and help you with a righteous decision? Verse 5 (also see Matt. 18:15 points out "the layers" we should use rather than the *court of public opinion*)

#5 Paul says that we should rather want to be wronged or cheated than hurt the church's influence in the community

Jesus Says:

“If You Are Wronged By A Brother Or Sister And Lose So That I Can Win, Don’t You Think That I Will Take Care Of You?”

“ I’ll Make It Up To You! ”

“I’ll never leave you nor forsake you!”
